16) The facts of the case are explained in the P U D
The point for consideration is whether r H R udaliar,
whose election has been duly notified by Government, is
disqualified under Sec 12(B) of the Town Municipalities Act
on the ground that he is a licensed plumber and therefore
interested in any work done by order of a Municipal Council
or in any contract or employment with or under or by or on
behalf of a Municipal Council "

17 A person is disqualified for being a councillor if he
has directly or indirectly by himself or his partner, any
share or interest in any contract or employment with, by,
or on behalf of the Municipality An interest in a contract
must be a pecuniary or at least a material interest, but
it need not be a pecuniary advantage (Vide 'Law of Municipal
Corporations' by P D Jyengar, Page 45)

18 And reference is invited to the discussion and opinion
in the file 1 42-44 (placed below) re election of Mr
A V Krishnan as President of the Nanganur town Municipality
It is seen, however, in that case that the water supply of
the town was entrusted to the Sanitary Engineering Department
and not managed by the Municipality Even in the present
case, though the Municipality manages and controls the
water supply, the bye-laws do not appear to establish a
relationship of master and servant between the Municipality

26.6.5/60

check on 8 new HRT Audakhan - M/Ch. Hume

and the licensed plumbers the bye-laws clearly lay down that the work of service connections must be got done through licensed plumbers or municipal fitters. It cannot be denied that there is a semblance of control over the licensed plumbers but it is necessary concomitant of the license not only in the case of the licensed plumbers but in the use of all other licenses.

(19) The purpose after all is to emphasize a great moral obligation to refrain from placing persons in relations which ordinarily excite a conflict between self-interest and integrity. It is seen, however, from the report of the President that these preliminary objections were over-ruled by him as Returning Officer, that there was no pecuniary advantage at the time of election and that the municipal Councillor was duly elected and that the election cannot be questioned in the present mode.

(20) So far as interest as such is concerned, public life will come to a standstill if any interest or relationship should be totally avoided. It is after all a question of degree. In the circumstances, there does not appear to be any disqualification in the present case. However, as suggested by the Deputy Commissioner, the Advocate-General may be consulted.

The Minister in charge of
Town Municipalities in Mysore,
BANGALORE

Petitioner:-

S R Nanjappa,
HUNSUR (Mysore District)

Respondent:- Mr H R T Rajagopala Mudaliar, Hunsur,
Mysore District

15/9
The petitioner begs to state as follows:-

1 That the election of the Councillors of the Hunsur
Town Municipality was held on 5-9-47 and the respondent is
one of the candidates declared as elected for Block No IV
of the said Town

2 That the petitioner, respondent and three others
submitted their nomination papers to the Returning Officer
on the due date for candidature to the Municipal Council
to ~~the~~ Block No IV only

3 That the petitioner filed his objection in writing
in the prescribed time to the Returning Officer regarding
the candidature of the Respondent on the ground of his
disability to stand as a candidate under Sec 12 Cl B
Sub-clause (b) of the Town Municipal Regulation

4 That the Returning Officer disallowed the objection
and allowed the respondent to stand as a candidate to the
election (copy of the order is herewith produced) and the
respondent is declared as elected on 5-9-47

5 That the respondent while stating his reply to the
petitioner's objection statement has, as a matter of fact
conceded to all the allegations of the objection petition
and thereby admits his disability to stand as a candidate
for the Municipal Election

6 That the Returning Officer ~~has further~~ is not correct while he states in his order that he gave an opportunity to the petitioner to produce records and the same was not furnished

7 That the Returning Officer has further stated in his order that he looked to the connected records which is also not true

1-5/2-81 8 That the order of the Returning Officer is opposed to the very principles of law and facts of the matter in dispute and as such is liable to be revised

9 That the Returning Officer is guided away by the mere fact of the Respondent's position i e , the President of the Municipality and his reasoning is absolutely one sided and incorrect

10 That for the reasons stated above and detailed below, the petitioner most humbly prays -

(a) That a detailed necessary open enquiry be held in the matter

(b) That till then, the result of election of the Respondent only in Block No IV be withheld without being declared by the Government and also without being published in the Gazette

(c) That the Respondent be declared as disqualified under Sec 12 Cl B SubClause (b) of the Town Municipal Regulation

(d) That the Respondent's seat in Block No IV of the Hunsur Town Municipality be declared as vacant

(e) That the election of the Respondent in Block No IV

of the Hunsur Town Municipality be ~~deferred~~ set aside and "Bye-election" directed to be held ~~in~~ for that seat

Reasons for disqualifications are -

A) The respondent is the manager of the undivided family of himself and his sons. He is the only one licensed plumber of the Hunsur Town Municipality and the license of the respondent is renewed every year after payment of the prescribed charges. The Respondent's license for the year 1947-48 is renewed and even now he continues to be the Plumbing Contractor. No other plumber can lay out any public taps or have any private contract, without the prescribed license and approval of the Municipality.

(B) The Municipality is the sole controlling authority to grant the Plumbing License and the said license is granted subject to certain conditions and liable to be cancelled for ~~violating~~ violating any of the conditions. The Plumber, though he is a license holder cannot execute any work without the approval of the Municipality. It will not be out of place to mention here, that the respondent has not maintained any staff for that purpose and if only his accounts and Bills are directed to be produced, the matter becomes more clear. Thus as between the respondent and the Municipality, there is the clear relationship of employee and employer.

(C) Section 122 of the Town Municipal Regulations reads thus:-

" The water supply Department or the Municipal Council as the case may be in whom the duty of construction and maintenance of water works for supply of water to the

Municipality vest, shall have the same powers and be subject to the same restrictions for carrying, renewing and repairing water mains, pipes, and ducts within or without the Municipality etc " The Municipality has to accord sanction to lay out taps subject to the plan and other sanitary conditions If the Municipality puts any new public taps, it has to approach only the licensed plumber who in the present case will be no other person than the Councillor himself The Councillor i e , the respondent prepares his own plan and estimate and will naturally be interested in getting it approved in the Council by inducing his co-councillors The same thing happens when private tap connections are applied for There is full scope to disregard the sanitary and other conditions in the self interest of the plumber who will sit as a Councillor The respondent will be under the direct obligation of the Municipal Council and he is also directly and indirectly interested in the work done by or under the orders of a Municipal Council There is full scope for the misuse of the services of the Municipal employees and also pecuniary loss to the Municipality

(D) Section 12 B, sub clause (b) of the Town Municipal Regulation reads thus -

"No person may be a Councillor who, save as herein after provided has directly or indirectly by himself or his partner any share or interest in any work done by order of a Municipal Council and the last para in Section 12 Cl (1) page 11 of The Town Municipal Regulation reads " If any person is elected or nominated as a Councillor in contravention of the above provision, his seat shall be deemed to be ~~xxx~~ vacant "

The exceptions referred to in Sub-Clause (1) to (VI) in the said section do not apply to the respondents case and as such he cannot claim any exemption thereunder ~~As~~ As stated above the respondent has the disqualification to stand as a candidate for the Municipal Election and his election cannot be upheld In consequence thereof, his seat in Block No IV should be deemed as vacant and Bye-election ordered

2 Mr S R Nairappa Vs Mr H R T Rajagopala
Mudaliar

Heard both parties - The objections of the Nairappa Candidate for Block No 4 against the candidature of Mr H R T Rajagopala Mudaliar are to the following effect -

- 1) That the Candidate and his sons are members of a joint family of whom the Candidate is the manager and the Candidate is a licensed plumber and in that capacity he is giving house connections for water supply to private houses such as are mentioned in the petition in the Certificate to be issued by the President and will therefore as Municipal Councillor have interest directly or indirectly through his partner in the work to be done by order of the Municipal Council etc. He has quoted 3 or 4 private connections that the Candidate has given.
- 2) That he is getting his plumber's license renewed every year by paying the license fee to the Municipality for

my

These reasons, the objecting Candidate says that he must be deemed to have interest in the work done by or on behalf of the Municipality

Mr Rajagopal Mudaliar was also heard. He made a reply as follows to the objections

1) That he has not accepted any Contract within the Municipal Council for work done by or on behalf of the Council and has not received any amount from the Municipality for work done, but as a licensed plumber he has given house connections to some private people according to contracts between them in accordance with the Water Supply bye-laws and that he has no manner of interest with the Municipal Council in his connection

2) And that he has not taken any contracts from the Council for providing public taps and has not received any bills from the Municipality for work done

3) That he is a Standing Councillor for the last 25 years and the non-official President of the Municipality for the last 3 years and that no objection has been raised by the Municipal Councillors

through the petitioner was himself in the Council along with him

b) That he is a licensed plumber for the last 10 years

I have read the Rules (Sec 12 (B) Cl (b) and the proviso Carefully and heard both the parties as stated above

1 The Section is not mandatory and does not apply to Candidature

2 Mr Rajagopala Mudaliar has not applied for or accepted any Contract with the Municipal Council as plumber in his behalf. The petitioner has not produced any records to prove his objection though he was given an opportunity. I have seen the relevant records and have not found any records in support of the petitioner's objection. He cannot therefore be deemed to have incurred the disqualification within the meaning of Sec 12 (B) Cl (b) of proviso (c)

I consider that his being a licensed plumber cannot be a disqualification for Candidature under Rule 12 of Election Rules

3) Mr Rajagopala Mudaliar is a

 petitioner Mr S R Nanyappa
 who was in the Council could
 have brought this objection before

In the above circumstances,
 I hold that the objection of

- 1) The petitioner learns that his petition was referred to the advocate General for his opinion, who in turn, has recommended that the petition should seek his remedy in a court of law.
- 2) That, if the opinion of the advocate General is as stated above...

the petitioner has no option but to come to the conclusion, that the advocate General has not applied his mind to the clear provisions of the Law or he has not in the least understood the full scope of the provisions of Municipal Regn.

3) That the petitioner begs to submit that the said opinion is nothing but misleading, misinterpretation of the Law and also quite incorrect

4) That the only point for consideration is, whether Mr H. R. T. Raju is or is not eligible to stand as a candidate for the election, and if he is not qualified, what is the effect of election of a disqualified candidate. As detailed in his petition dated 13⁹/₄₇, Mr H. R. T. Raju is disqualified to stand as a candidate for election in 12 B Sub class (b) of the Town Municipal Regn.

The Hemsu water works is under the direct control of the Hemsu Town Municipality. The powers and duties of the municipality regarding the supply of water is detailed in Sec 122 of the Regn. The Respondent is

a licensed plumber, working as per directions and instructions from the Municipality, so to say, he is an employee of the Municipality. He is interested directly and also indirectly in the work done or carried on by or under the direction of the Municipality. Such being the case, there is the clear disqualification to stand as a candidate as contemplated under Sec 12 B cl (a)

5) That when such a disqualified candidate is elected & when such disqualification is brought to the notice of the Government, even after election, his seat shall be deemed to be vacant. Last para in Sec 12 cl (1) of the Town & Regn. reads thus. If any person is elected or nominated as a councillor in contravention of the provision of Sec 12 B sub-cl (a), his seat shall be deemed as vacant. In the present case, there is no other option but to hold that the seat of the Respondent in block NO IV is vacant & order "Bye election".

6) That the petitioner begs to submit that the aggrieved party who is also

to set aside election on the
ground of corrupt practice,
has to approach the Court and
the Govt cannot interfere then
But this is not such a case

7) That the matter involved is a
very important point & purely a
point of correct appreciation of
the provisions of Law, the petitioner
most humbly prays that he -
may be heard in the presence of
the Advocate General and
then final orders are passed
on the petition

8) That the petitioner is very
anxiously awaiting an early
reply from your Honours

Humbly

OFFICE OF THE DEPUTY COMMISSIONER,

No D3 C 1773 of 47-48. Mysore dated the 20th October, 1947

From

Deputy Commissioner, Mysore District,

S i r,

Petition dated 12-9-1947, from Mr S R⁺ Nanjappa,
Hunsur, addressed to the Minister in charge of
Town Municipalities to set aside the election of
Mr H R T Mudaliar from the IV Block of Hunsur
Town in the recent General Elections

With reference to your Memo No L 9513 dated the 22nd
September, 1947, forwarding for report, the above petition,
I have the honour to forward herewith a detailed report No
H.C 90 of 46 dated the 8th October, 1947, received from the
President, Town Municipal Council, Hunsur, together with
the said petition and the connected references and to
state as follows:

Mr H R T Mudaliar whose election as a Municipal
Councillor, has been notified in Government Notification No
L 993/M1 41-47-15 dated the 30th September, 1947. has been
a standing Municipal Councillor for the past 20 to 25 years
and he is also a licensed plumber of the Municipality for
over 10 years, his licenses being got renewed by the
Municipality every year

It is seen from the report and ^{the copy} of water supply laws
enclosed, that the water supply section of the Municipality
is administered by the Municipality and that applications for
house connections are subject to their sanction Vide Bye-
laws 8, 11, 11(a) etc , and under Bye-law 26, Service pipes
to private properties are to be laid by plumbers only license

licensed by the Municipal Council on approved plans and specifications under conditions and rules sanctioned by the Municipal Council. These provisions make clear that the licensed plumber as Mr. Rajagopala Mudaliar, is, subject to the disciplinary contract of the Council.

The Main contention of Mr. S. R. Nagappa is that as licensed plumber of the municipal council and also as a municipal councillor, Mr. Mudaliar will be under the direct ^{obligation} obligation of the Municipal Council and he will also be directly or indirectly interested in the work done by or under the orders of the Municipal Council, and his relationship with the Municipality will thus be one of an employee and employer and therefore he is disqualified to stand as a candidate under Section 12^{clause (b)} Sub Clause (b) of the Town Municipal Regulation. But it is doubtful if Section 12 (b) applies in this case to prevent Mr. Rajagopala Mudaliar from standing for Election. Section 12 (b) states that no person who-----any share or interest in any work done by order of a Municipal Council or in any contract or employment with or under, or by or on behalf of a Municipal Council. The point, for interpretation, is as to what is meant by the words 'in any work done by order of a Municipal Council'. Can a Municipal Councillor constructing a Private house ^{or laying water line to a house} licensed by the Municipal Council doing work under the orders of the Municipal Council? It is certainly not so. He does work under the orders of the owner of the house and not of the Municipal Council. Is a person who is subject to disciplinary control of the Municipal Council unfit to be a member of the Municipal Council? There is no law to that effect. As a matter of fact, all the residents of a Municipality if they commit misdemeanours against the Municipal Laws, are subject to disciplinary control of the Municipality. They are not disqualified from standing for

~~licensee~~ standing for election, Nor can Mr Rajagopala Mudaliar be said to be a servant of the Municipality. If Mr Nanjappa's contention is accepted no hotel keeper or person who holds any license issued by the Municipality can be a member of the Municipal Council. But the law is different. I think, the petition of Mr Nanjappa has to be rejected. If deemed necessary, the Government Advocate may kindly be consulted in the matter.

In the above circumstances, I submit the entire records for such orders as Government may deem fit to pass in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
Mysore District
